

MAPA

The State of Arizona Latino Education, Power and Influence
January 24, 2024 | Sheraton Downtown Phoenix

MAPA SUMMIT INVESTMENT OPPORTUNITIES

At ALL In Education we are working to ensure that individuals from the communities most impacted by education inequities are the ones making decisions for ALL students. We seek to build an Arizona where ALL communities have access to opportunity and justice. The MAPA annual report will serve as a benchmark to help not only inform our work, but hold us accountable to make sure our organization is enacting the changes we need in our systems.

MAPA will evaluate, measure, and report on the state of Latino education, power and influence. This is intended to be a transparent tool that reflects on our own efforts as well as those in the ecosystem that have an active role to play in moving the needle forward for Latino youth in our state. Our summit will unveil the results of our fourth MAPA report to our community.
